Phone:	
Fax:	Municipality:

I request that the subject land disturbance be reviewed for exempt status under the NJ Soil Erosion and Sediment Control Act P.L. 1975, Chapter 251 as indicated below. I understand that I am responsible to provide the required information as requested below. I understand that the fee for this review is **\$25** (payable to Camden County SCD) and should this activity not be deemed exempt, this fee will be applied to the project application cost.

     **Agriculture:** Land cultivation for the production of agricultural products and related activities common to agricultural operations. Not to include construction of agricultural structures. *Submit a copy of USDA-NRCS Conservation Plan.*

     **General Land Disturbance:** Area of land disturbance is not in excess of 5,000 square feet. *Submit a copy of site plan with total land disturbance (in square feet) and provide a brief description narrative.*

     **Single Family Dwelling:** Construction of a single family dwelling determined exempt under the guidelines provided in the attached "Definition of a Project Single Family Home Flowchart". *Submit a copy of grading/plot plan with total land disturbance (in square feet)*

I acknowledge that if the activity proposed in this submission changes from the category noted on this exemption form, it will deem this exemption null and void, and will require a re-assessment of my project by the District.

### **Singature – Owner must sign before submission to the District**
